## School's out for summer...

As lockdown eases, we hope you're able to connect with more people and enjoy the good weather. We hope you have plans lined up, even if they're not your original ones. If you're finding the ongoing flux and uncertainty is causing you to feel anxious, [please reach out](#).

## Confirmed results and resit timetables

Both your [final results](#) and confirmed resit timetable (if applicable) will be live in myUWE this week. For more information about resits and retakes, check our [guidance page](#).

You can see how your marks were calculated (go to the [Study and Assessment section](#)).

Please get in touch with an [Information Point](#) if something doesn't look right with either your marks or timetable.

## Support during the resit period

Unlike the main assessment period, you're not able to request a Five Working Day Extension, so it's important to get in touch with a [Student Support Adviser](#) or [Information Point](#) to understand what your options are. If you experience difficulties as you plan for your resit, please get in touch so that we can help.

If you previously used the 24 hour window for the submission of late assessments, as with your first sit, you will not have this option. We've continued support by applying [personal circumstances](#) to you all so that you do not need to submit an individual form and evidence.

If you experience any technical difficulties during your online assessment, please let an [Information Point](#) know.

## Have you reapplied for student finance for 2020/21?

If not, then add it to your summer to do list - the sooner you apply, the better.

Reapply online

## Office 365 will be offline this weekend

We're migrating you all to the same version of Office 365 as staff, so you'll have access to its full capabilities. As a result, OneDrive and Outlook will be unavailable from **17:00 on Friday 24 July** until **08:30 on Monday 27 July 2020**.

If you need access to emails or files for any reason (including resit coursework you may be working on), save a copy elsewhere or email it to your personal email account.

What you need to do

## Original song competition compilation out now

The Centre for Music ran an Original Song competition for staff and students and having received some great entries, they've created a compilation of some of them with comments from the songwriters. The winner was staff member Maaïke Siegerist with 'Lisa with the Autumn in her Hair.' Maaïke says: "Lockdown has been really good for me creatively and I'm releasing this song as a single in September."

## History Month survey - thanks for your input

Thank you to everyone who took the time to complete the History Month survey. Your contributions has been invaluable to ensure that we deliver engaging activities with both students and staff at the heart of it.

Your views, comments and recommendations will now be collated by the Equality, Diversity and Inclusivity Team in partnership with The Students' Union to support the project delivery of the History Months for 2020/21.
