How's your summer going?

We hope you're having a good summer however you're choosing to spend it. We've had heatwaves and rain - a real mix!

Remember we're still here for you if you need a chat or support.

[Wellbeing support options >](#)

Timetables

You will need to have started your registration in [myUWE](#) to be able to view your timetable.

The main timetable publication date for the 2021/22 academic year will be **Wednesday 8 September 2021**. For courses with an early start date, these timetables are currently live in [myUWE](#).

This is a copy of the newsletter sent to students, so the formatting is a little different to the email version, due to the content being converted into a PDF. Dynamic content (content specific to Faculty/campus/level etc.) appears at the end, but for students it's integrated into the body of the newsletter.

You can find more information on [how to interpret your timetable](#) on our timetable page. If you have any questions about your timetable, please get in touch via our [timetable self-help form](#).

Timings

The earliest time teaching will start is 08:30 and the latest time it will start is 18:00 during Starting Block and 20:00 during Teaching Blocks.

[Term dates and timetables >](#)

Did you have assessments in August?

If you had assessments in August, your [results will be out in September](#).

Following your results, you will be able to register in myUWE. Once you've registered, your timetable will be visible in myUWE.

If you need to chat through next steps after your results, you can speak to a [Student Support Adviser](#).

The Virtual Annual Bolland Lecture - Ben Osborn, UK Country Manager and Managing Director, Pfizer UK

Join us to hear Ben Osborn speak about 'The power of the mission: how we can apply the lessons of the pandemic to make the UK a global life sciences superpower.'

Wednesday 8 September, 18:30-19:45

Have you had your vaccination?

If you are able to do so, you are expected to be double vaccinated against coronavirus before starting your studies. You do not need to have both doses of the vaccine administered at the same venue.

You can [book an appointment](#) or drop into a [walk in clinic](#). There are walk-in clinics across the UK, many opening early and closing late.

You won't be excluded from any timetabled academic activities if you're not fully vaccinated, but government guidelines may mean you're excluded from social activities such as nightclubs and large indoor events.

[Coronavirus FAQs >](#)

Starting Block

Starting Block is a series of activities for you to get to know your teaching team and your coursemates better before teaching begins.

Everyone's Starting Block is different – so make sure you're engaging with Blackboard and your university email so you don't miss out.

Hear [first-hand from Megan](#) how Starting Block helped her settle into university life.

[Starting Block >](#)

All students are being asked to set up two-factor authentication

When you log into UWE email or Microsoft Office 365 you'll soon need another form of identification to prove it's you. You'll need to use the Microsoft Authenticator app, input a code texted to you or take a call.

This is a copy of the newsletter sent to students, so the formatting is a little different to the email version, due to the content being converted into a PDF. Reflecting on the pandemic

We all know that the pandemic has been a huge test of our resilience. Common Vision are running workshops and events inviting people to share their insights and experiences of the past year.

They would love you to get involved, whether that's by attending their events, taking part in research studies or becoming a social media ambassador (as just a few examples).

Events will cover topics such as **mental health and wellbeing, finance and employment, community and culture, public services and the environment.**

A NOTE FROM THE PRESIDENT: GREEN IMPACT AWARD

The Students' Union at UWE is delighted to announce that for the fifth year in a row, we have achieved the highest score of all students' unions, for our Green Impact Students' Union 2020-21 submission - demonstrating our commitment to embedding sustainability in everything that we do. Green Impact is a sustainability and social responsibility programme run by Students Organising for Sustainability (SOS-UK).

I'm so proud to be leading an organisation that proves it's doing all it can to fight the climate and ecological crisis and having a positive change on students and local communities. It's got harder every year to come out on top, but we have managed it again thanks to the passion and hard work of our students and staff.

EU and overseas students

Key updates for international students

On-campus teaching

We're excited that we can provide a return to valuable on-campus teaching. We will also continue to complement your experience with a range of digitally enhanced learning opportunities, allowing you to prepare for, participate in, and practise your learning in a variety of ways.

Face coverings

In line with Government advice, you will still be expected to wear a face mask while on campus, unless you are medically exempt. We will continue to review this.

Vaccinations

All students studying in the UK are entitled to a **free Covid-19 vaccination** (two doses).

There are three ways you can access the vaccine:

- [Registering with a doctor](#)
- [Booking a vaccination appointment](#) as an unregistered patient through a local doctor (GP) practice
- Attending a [walk-in centre](#) (no booking needed).

We even have a walk-in NHS vaccination centre on our Frenchay campus, so getting the vaccine couldn't be easier!

[More information >](#)

Update to the traffic light system for international travel

Some countries have moved from the red list to the amber list, so check the guidance to see if this affects your travel plans.

[Find out more >](#)

Travel quarantine

You must follow the law on international travel. This means that as a student coming to the UK, you must ensure that you check the travel guidance issued from your own country and also from the [UK government](#) before you travel (regardless of where from).

If you have travelled from or through a [red list country](#) ten days before arrival, you must quarantine in a managed quarantine hotel. You must book this in advance of your travel. If you are travelling from a red list country, you must [pre-book your quarantine hotel](#) in advance, or you could face a fine of up to £4,000. You can find out more information on this by viewing the [Managed Quarantine FAQ Guide](#).

If you have travelled from or through an [amber list country](#), you must complete a ten-day period of self-isolation in your own accommodation upon arrival. If you have travelled from or through a green list country you do not have to self-isolate in your accommodation or enter managed quarantine, but you must still ensure you have booked a [pre-departure test](#), completed a [passenger locator form](#) and booked a [travel test package](#).

Global events and news

International and European Student Orientation

We've created an [exciting timetable of events](#) for orientation this year and all international and EU students are invited! Look out for student panel discussions, welcome breakfasts, pizza parties, picnics and much more.

Events start on **Tuesday 7 September**.

[Book your place >](#)

Photo Competition

Share a photo that shows us a bit of your culture - simply share your photo on Instagram/Facebook with the hashtag **#myUWEBristol2021**. Post your photo to win a £50 Amazon voucher! Don't forget to tag us **@uwebristolglobal** so we see it! The competition is open until **Monday 27 September**.

Healthcare, social work and education students

Coronavirus vaccinations and placements

It may become compulsory for students who have professional practice placements in health care, social work or education settings to be double vaccinated against coronavirus before going on placement.

To avoid any delay to starting your placement, please arrange to have both your vaccinations as soon as possible. You don't need to have both doses at the same venue, though they should be at least 8 weeks apart.

You can [book an appointment](#) or drop into a [walk in clinic](#). There are walk-in clinics across the UK, many opening early and closing late.

Please let our [Placement Team](#) know if you are unable to access a clinic or cannot be vaccinated for health reasons.

[Coronavirus FAQs >](#)

Level 1 healthcare

Grow your leadership skills

We're one of the first universities in England to run a health-specific coaching scheme, open exclusively to first year students!

What are the benefits?

- Be assigned a coach for your personal development
- Learn from inspirational employers and leadership experts
- Build strong networks and industry connections across your discipline
- Enhance your employability and professional development
- Grow in confidence and self-awareness
- Meet likeminded people.
