MOVEMBER WINS AWARD

We're delighted to announce that we won Campaign of the Year at the 2019 National Student Fundraising Awards for our Movember campaign. Our campaign ran throughout November 2018, raising awareness of men's mental health, prostate cancer and testicular cancer. A variety of events supported the Movember Foundation and sparked conversations around the importance of self-examination and self-care, with the goal of improving student wellbeing. It was an honour to stand with so many inspirational campaigns at the awards, and we cannot wait to build on the legacy of last year's success.

Guest lecture: The anatomy of online grief

This talk will focus on grief and mourning in the context of our digital age. When digital citizens die, they often leave behind extensive digital remains. How does this reality affect grief and mourning?

Come and explore these issues with Counselling Psychologist and Associate Fellow of the British Psychological Society, Dr Elaine Kasket.

The lecture will be on **Monday 2 September, 15:00-16:00**, Frenchay Campus.
