

**UWE  
Bristol**

Welcome to our  
**Postgraduate  
Open Day**

**Frenchay Campus  
22 March 2025**

# Your future is waiting.

Are you ready for change? To see what's possible? To begin a new career? To extend your options in your chosen field? To be confident that your skills are the latest, sharpest, and best?

Whatever your ambition, we have a range of postgraduate courses developed with your career in mind.

Choose us and you'll be welcomed into a community that will both challenge and support you, and you'll leave us with the skills you need to take your next step.

Discover how you can learn and who'll inspire you. The doors that can open and the industry connections that can help change or boost careers. And the support on offer to help you get there. At UWE Bristol everything is within your reach.

But don't just take our word for it. Today is your opportunity to discover UWE Bristol for yourself. Explore our facilities. Chat with our inspiring staff and friendly students. Get advice on applying, finances, and the options available to you. An Open Day is the perfect way to find out more and get a feel for the community you could join.

Today is your chance to explore our campuses and facilities and see what's on offer here for you. If you run out of time or perhaps want a closer look at the things most important to you, then why not take a personalised virtual tour online.

# What to expect at your Open Day

From course sessions to campus tours, today is your chance to experience what it's like to study at UWE Bristol.

## Learning and teaching

Head along to one of our drop-in sessions with our postgraduate studies staff and find out more about the subject you're interested in. These sessions are your chance to ask academic staff all your course-related questions.

## Information and Advice Zone

From practical advice on the application process to information about the range of support on offer, our experts are here to guide you. Chat to teams such as admissions, disability, neurodivergence study support and many more.

## Accommodation Zone

If you haven't lived in UWE Bristol halls before as an undergraduate, then you can apply for university accommodation when it opens on our website. Why not join us on a tour of some of the accommodation on campus or attend a talk and find out the options available to you.

## Campus tours

Get the full Frenchay Campus experience by taking a guided campus tour of our buildings and grounds starting from the sign-in points.

## Extra-curricular activities

Discover our fantastic Centre for Music. No matter what you're studying, you can learn and perform all kinds of music, from classical to pop, rock, electronic, and experimental. There's something for everyone.

Our Centre for Sport on Frenchay Campus provides fantastic facilities, activities and classes. Whether you're a complete beginner or a high-performing athlete, you'll find all you need to stay active here.

Choose from over 160 societies, from astronomy and animation to virtual reality and yoga. Check out the Students' Union building where many of our societies meet.

## Take a break

Frenchay Campus is buzzing with restaurants, cafés, and shops, so you'll be spoilt for choice when you want to take a break. You'll also find complimentary refreshments in each academic department, and outside Starbucks in E Block.

## Finding your way around campus

We've listed the courses alphabetically and colour coded them by buildings, where they're taught, (called blocks and identified by a letter) so you'll be able to find them easily:

- A, B, C, F, G, H, J, K and L Blocks
- N, Q and R Blocks
- S Block
- X Block
- Z Block

The same colour scheme is used on the campus map to help find your way around.

Feel free to pick up a map at the sign-in point or scan the code here to view a digital copy.

Look out for the blue signage on campus to help you find your way around. Also, our Student Ambassadors are dressed in blue hoodies, and are happy to give you directions around campus.

If you get a little lost or have any questions during your day, please speak to one of our staff or Student Ambassadors and they'll be happy to help you.

If you have any accessibility needs, please contact our Events Team by emailing [open@uwe.ac.uk](mailto:open@uwe.ac.uk), calling +44 (0)117 32 82162, or by speaking to a member of staff on the day.

If you're on Twitter or Instagram, send your question to @uwebristol and one of the team will respond as soon as possible.

# Make the most of your day

Take a look through the schedule of talks, tours, and drop-in sessions on offer here today.

## **Plan your day around the course session that interests you the most**

This is your chance to meet the tutors, ask questions and find out everything you need to know about your course, assessment methods, placement opportunities and much more.

## **Build the rest of your day around your course sessions:**

### **Take a look around the campus**

Join a walking tour with one of our Student Ambassadors to explore the campus. They start at the stretch tent on the plaza and take about 45 minutes.

### **Attend a student accommodation talk**

You'll hear about the different types of accommodation we offer and how to apply.

## **Drop by the Information and Advice Zone**

Find out all about applying and learn how we support our students during their studies.

## **Find out all about Postgraduate funding**

Attend one of our student money talks to find out how to apply for financial support and manage your student finances.

## **Join the student life talks**

Make your way to the Students' Union to discover what it's like to study here..

## **Get a feel for all the extra-curricular activities on offer**

Pop into our Centre for Music, Centre for Sport, and Students' Union. Our staff and student reps look forward to showing you around.

**For the full event programme detailing what is on where and when, see page 6 onwards.**

## Student support services

Experts will be available throughout the day to answer your questions and show you around the campus and accommodation. This is a great opportunity to explore what's on offer and make sure you get the support you need.
