

Box of Broadcasts: Sharing Videos and Using them in Presentations

Sharing BoB videos

To send out a link to other UWE Bristol students or staff, locate the video you wish to use and then select the 'share' button from the options beneath the video recording. Next, highlight and copy the appropriate link and paste as needed. **The WAYFless link will take students and staff directly to the UWE Bristol log-in in order to access the resource.**

Ensure that you cite the broadcast by copying the information in the Citation box and pasting as appropriate.

Using BoB videos in presentations

The easiest and most reliable method of using one or more videos within a presentation is log into BoB and then [save them to 'MyBoB'](#). At your presentation, log into BoB and run them from 'MyBoB'.

Ensure that you cite the broadcast by copying the information in the Citation box and then pasting it into your presentation.ww
